

Harvest Sunday November 6

You are invited to participate in the **18th ANNUAL HARVEST SUNDAY**.

Your donation will go to the West Suburban Community Pantry (formerly Woodridge Community Pantry), and will help alleviate the hunger of our neighbors in need this winter season. In the fiscal year ended June 30, 2011, the pantry distributed nearly **1.5 million pounds of food** to our neighbors, feeding over 35,000 persons, including 15,000 children, gave away more than 124,000 diapers, and almost 400 backpacks filled with new school supplies.

Again this year, we are asking you to consider making your donation a check. Donations by check, payable to the West Suburban Community Pantry, can purchase food at only eighteen cents a pound!! A box of cereal which costs you \$3-4.00 at the store costs us .14-.18 cents!

Please put your check in the envelope provided, and leave it in the Harvest Sunday bag on your front porch by noon on Sunday, November 6. If for some reason your donation is not picked up by one of our teams, please help us by mailing your check or see our Virtual Food Drive at www.wcpinc.org.

If you prefer to donate food, items most needed include soup, canned meat, tuna and peanut butter. We also need personal care items such as shampoo, toothpaste, bathroom tissue. These may be left in the Harvest Sunday bag or dropped off at the pantry Mon-Sat 9 AM - 2 PM.

Your donation helps us to continue this important work.

THANK YOU FOR YOUR GENEROUS SUPPORT!

A SPECIAL THANK YOU TO COMPASS CHURCH FOR ORGANIZING HARVEST SUNDAY AGAIN THIS YEAR.
