

School Supply Collection

July 1 - August 31

As the children of our community head back to school, many parents will find it a financial strain to provide them with the necessary school supplies.

In fact, more than 1,300 students in Woodridge and Lisle qualify for the free or reduced fee lunch program. These students are unlikely to have the necessary supplies to get them off to a confident, excited start to the new school year.

West Suburban Community Pantry is committed to making sure that every child in need in Woodridge and Lisle will receive new supplies for school this fall. We need your help to accomplish this. We are most in need of the following:

- Duo-tang folders
- Highlighters
- Colored pencils
- Pencil boxes
- #2 pencils
- Black ink pens
- Scissors, blunt or sharp tip
- 8 or 10 count markers
- School glue
- Wide rule notebook paper
- Spiral notebooks
- Backpacks

You may drop off your donations at the West Suburban Community Pantry (Monday - Saturday 9 AM - 2 PM) or at the following locations during normal business hours:

- ◆ Abri Credit Union
- ◆ Bridgeview Bank
- ◆ Lisle Savings Bank

Thank you for your generosity!
